UPPER PROVIDENCE COMMUNITY DAY!

THIS SATURDAY, 9/20, 12-5PM, BLACK ROCK PARK

Stop by the Republican Committee Table to introduce yourself and meet candidates!

CURRENT TOPICS OF CONCERN:

1. Open Space Referendum – expect a 12% tax increase coming. While Saving Open Space is what we all desire – we just need our elected officials to enforce existing municipal zoning codes to prevent selling open space to developers.
2. Budget Workshop Meetings for 2026 Upcoming – Our Taxes Continue to Climb
3. Board just approved plans for King of Prussia-Like High Density housing on Black Rock Rd decreasing Open Space

SPRING-FORD SCHOOL BOARD:

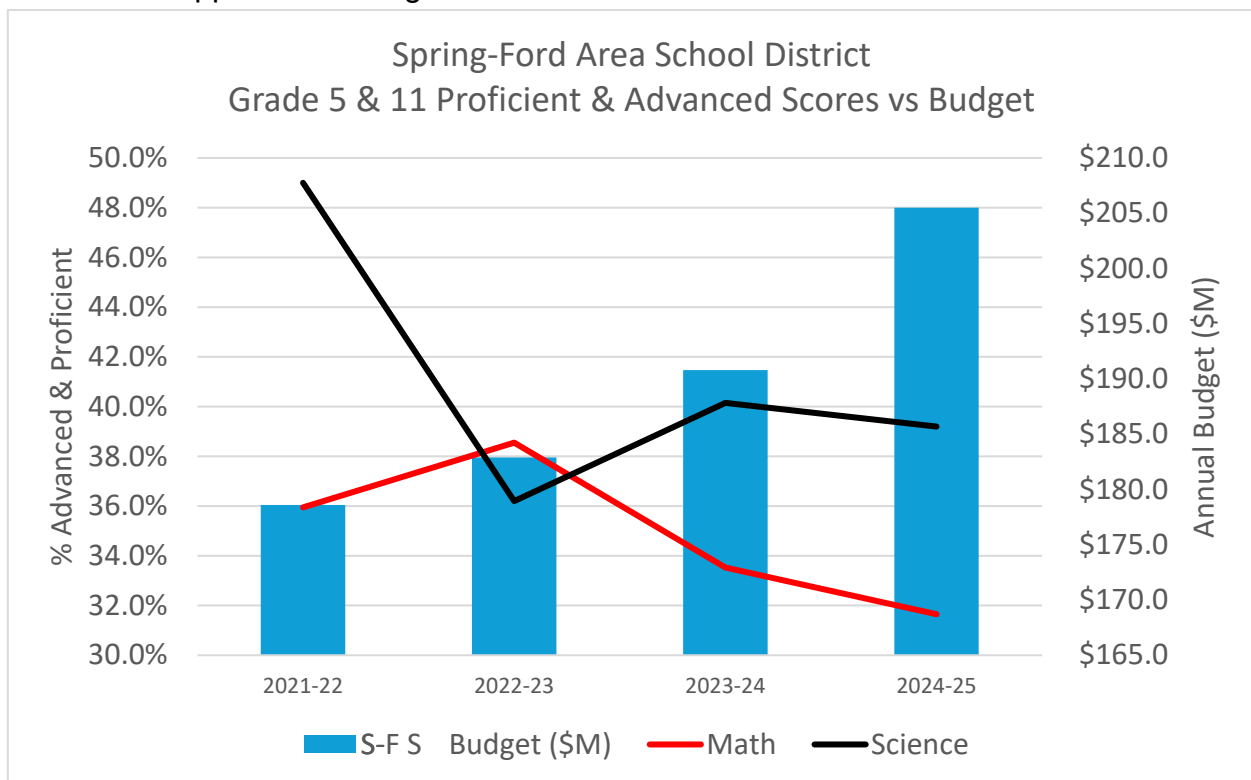

<https://www.spring-ford.net/board-of-education/sf-school-board>

Board Meetings, 7pm, Spring-Ford High School Cafeteria: 9/29, 10/27

CURRENT TOPICS OF CONCERN:

1. RECORD HIGH TAX INCREASES WHILE TEST SCORES DROPPING

- **Increased 13% over the last 2 years. Over 20% the past 4 years.**
- 2. The Board continues to waste time and money on Resolutions which constituents don't agree with while failing to address the declining academic performance
- 3. Board has stated that they will continue to tax at the max extent the State Allows
 - There is no end in sight for Tax Increases with the current Board
- 4. Current School Board has politicized everything, and with no dissenting opinion or conversation – they are completely unchecked and don't represent the District population – They are Radical, This is a Purple District where we get along with our neighbors!
- 5. District is deep in Debt, and paying out lost lawsuit compensation for inadequate planning and staff management
- 6. Both our Superintendent Robert Rizzo and top principal, Robert Colyer, have resigned from working with this current School Board
- 7. The Board attempted to hire Dr. John Sanville as Interim Superintendent while he was under investigation for administered surveys relating to sexual activity without parental consent
- 8. Democrat School Board candidates have publicly stated they support:
 - a. Boys in Girls sports, bathrooms and locker rooms
 - b. Support DEI Hiring Practices over Merit/Qualifications

Click on GARY WHEATON OR MICHAEL DIAZ webpages to find out how he will help lead the School Board in a better direction and provide a bipartisan voice.

SPREAD THE WORD – share this info with everyone you know. No one wants rising taxes, falling test scores and unnecessary referendums.

VOLUNTEER – plenty to do and we always can use help doing it. Get involved!

PLANT A YARD SIGN – support our candidates!
